SUPPORTED BY

Greetings. I hope you will consider joining me for the **5th Annual Long Beach Mayor's Trophy Golf Tournament**. Donations from the tournament will directly support youth golf programs throughout the greater Long Beach area, and will also benefit Special Olympics Southern California.

For more than 40 years, Special Olympics Southern California has empowered children and adults with intellectual disabilities to become physically fit, productive and respected members of society through sports training and competition. Golf is one of 12 Special Olympics sports, providing numerous opportunities for advanced competition – including the Summer Games held at CSU Long Beach every year.

Special Olympics changes lives through the power of sport and reaches beyond the athletes who participate. The coaches, volunteers, families and donors all benefit from the opportunities that Special Olympics Southern California brings to their lives.

Thank you for your support, and see you on the course!
